About Organizer

Business Leaders Hub is a name synonymous with quality, commitment and customer care in the business development services. We promote different aspects of the trade market and help our clients create a winning business development strategy.

Our professional team has over ten years of experience working in the UAE handling everything from business planning, business expansion support, strategic partnership, branding, marketing and sales consultancy, digital marketing, coaching and event management.

Our talented teams organize several successful events annually for a community of forward-thinking industry leaders and solution providers.

Our past events were attended by leading global companies to achieve business network benefits across the ecosystem of business partners. Tens of opportunities and partnerships start here.

Food Business Networking

Business Leaders Hub is hosting the 2nd Edition of Food Business Networking for food companies, growers, distributors, importers, exporters, retailers and buyers looking to source products, network, learn, engage and move their business forward. This event is a perfect opportunity to network face to face with others from across food industries including Ingredients, Processing, Packaging, Supply Chain Solutions and Control & Automation.

Date and Venue

Food Business Networking will take place on February 21, 2024 in Dubai. The event will bring together senior executives and experts from the full value chain to provide a networking platform for all parties active in the field of food industry.

Participating at Food Business Networking lets you reach out to target buyers and create awareness of your brand. The event gives you opportunities to explore and utilize market information and forge new business bonds.

Why Attend

This event is a way to form relationships with other names in the food industry, which can help you expand your business, increase your customer base, generate leads, improve your brand visibility and more.

- Stay relevant with your target audience and ahead of the competition.
- Engage with the entire value chain.
- Make new connections and reinforce existing relationships.
- Benefit from direct communication and face-to-face marketing.

Who Can Attend

The Food Business Networking connect leaders and stakeholders in the food and beverage industry from food manufacturers, suppliers, distributors, vendors, food packaging businesses, processors, restaurants, retailers, shipping companies, etc. You qualify if you are seeking new opportunities for expanding your market, networking with dealers and distributors, meeting existing and potential suppliers, building strong connections and establishing lasting partnerships.
